

# Love Spell

Peace be with you, my friends! I just wanted to take this opportunity to share with you a simple love spell that I have seen work again and again over the past fifteen years. I first learned this spell from my friend Norma who is an accomplished psychic, medium and spell caster. She has been using and recommending this spell since the 1960's. It can be used for attract a new lover or to draw a specific person closer to you. It is extremely simple and it has proven highly effective for newcomers to spell casting.

## **You will need:**

**One pink taper candle**

**Honey**

**Powdered Cinnamon**

First, take the pink candle and with a pin or similar sharp object scratch the name of the person you are trying to attract into the wax. If you want to attract love in general, write the word "LOVE." Then cover the candle completely with honey (Yes it will be sticky!) and then sprinkle the powdered cinnamon onto it. Light the candle and allow it to burn down while you meditate on the person or type of love you wish to attract. The best day to perform this and all love spells is Friday.

So, please try this spell and let me know the results! Also, if you are interested in any of my services as a reader, spell caster or Voodoo priest or just want to say "Hi" please don't hesitate to contact me.

Peace and blessings to you and thank you for visiting my site!

Love and light,
